

**COZUMEL FLATS FISHING PROGRAM**

**FLY FISHING & SPIN CASTING**

**Fishing Information**

Your fishing trip targets bonefish in the flats, but you will also have the chance to catch permit, snook and tarpon, along with ladyfish, mangrove snapper, jack, triggerfish, small shark and barracuda in a single fishing day.

We operate 3 flats boats from 23' to 25' powered with 60 H.P. Yamaha motors, with the latest on safety equipment.

This fishing is done mainly while wading. It is important to bring a pair of either flats wading boots, diving boots, tennis shoes, hard sole water socks or strapped sandals. We also recommend a pair of good polarized sun glasses, a convenient hat, plenty of sun block lotion (SPF 50), bug spray, comfortable light clothing and please, don't forget your camera.

**Rates**

The rate for a full day (8 hour trip) for 1 or 2 anglers is . . . . . \$415 USD

The rate for a 6 hour trip for 1 or 2 anglers is . . . . . \$330 USD

The rate for a 4 hour trip for 1 or 2 anglers is . . . . . \$300 USD

The cost of a 3rd or angler or passenger is \$100 USD - Maximum 3 anglers per boat.

**A 50% deposit of the total cost of your trip is required at the time of your booking to reserve your boat.**

**The total cost of your trip must be paid in full the morning of your trip.**

### **Trip Rates Include**

An English speaking guide who is an expert on fly fishing and spin casting, car transportation from the marina to your hotel or pier of arrival on Cozumel, box lunch (full days only), beer, soda, purified bottled drinking water, plenty of purified ice, 2 fly rods and reels, 4 spinning rods and reels, handmade leaders, fluorocarbon shock tippets and plenty of fresh bait. Our rods and reels go through daily wear and tear and sometimes abuse while fighting fish. We try our best to maintain our equipment, but we suggest bringing your own rod and reel if possible.

### **Trip Rates Do Not Include**

Your taxi transportation to the marina on the day of your trip, the mandatory Federal fishing licenses, the tip for your fishing guide and the flies, jigs and lures. The cost for your license is \$15 USD per day, per person. The suggested tip for your guide is \$30 to \$40 USD.

### **Fly Fishing Information**

All this great fishing can be done with light saltwater fly fishing tackle and it is encouraged by the guides. We strongly recommend that our angler bring their own fly fishing gear. All anglers need to bring at least 2 fly rods (1- 9wt. and 1- 8wt. or 1- 7wt.). Also, the fly reels should be high quality and saltwater proof. Floating lines are the most practical as the waters where we fish are shallow (1 to 3 feet).

### **Conventional Spin Fishing Information**

Ultra-light saltwater spin tackle works best for this area. Light spinning rods 5'6", 6' and 7' in length with matching spinning reels loaded with #6 and #8 lbs. test (200 yards.+) works best for the bonefish and permit. Reels that hold at least 200 + yards of #8, #10 and #12, lbs. test should be used on tarpon, snook, barracuda, etc.

### **Important information**

The fly rods that we use on our regular fly fishing trips are Redington #7wt. #8wt. and #9wt. matched with Scientific fly reels System Two. Now, if you want to improve the quality of your fly rods to Sage matched with Orvis fly reels. I have on rent Sage fly rods #7wt. #8wt. and #9wt. matched with Orvis fly reels at \$30 USD per day, per outfit (fly rod & reel). I also carry a good selection of flies, jigs and lures on sale at the same price it would cost you on any tackle shop in the USA.
